

Only Tastes Like Cheating!

Carbolite introduces its new and improved low sugar, low carb frozen dessert with even more creamy taste than ever before. Carbolite's base is made from pure dairy ingredients and sweetened with Xylitol, a preferred choice of sugarless sweeteners. Carbolite is fat free, and contains only 11 calories and <1g sugar per fluid ounce. Further, Carbolite contains 4 active yogurt cultures which help promote a healthy digestive system. With about 1/2 the calories and 70% fewer sugars as other yogurts, its no wonder Carbolite has become America's #1 choice in no-sugar added frozen desserts.
